

VT Accounts additional user license requirements

License terms

The number of user licenses required is the lower of:

- The number of different individuals who operate the software (whether simultaneously or not)
- The number of PC's from which the software is operated

Additional licenses can be purchased at any time. The full purchase price applies if the license is for another site.

Prices: The price is £99 + VAT per additional user license. After the first year additional licenses can be renewed @ £75 + VAT p.a. each.
